I like Simma's addition, and either Johnnie or I will send it to Jeaneanne shortly and will copy all of you to forward on.

Sounds fine to send to David. I'm not sure if I'm following the Corps' concern in their comment.

Thanks, Kelly. Looks good to me, too. I was wondering if we wanted to specifically allude to next steps, so put some draft language in for your consideration. Totally up to you, though, as to how you would like to approach your management – was just a thought.

Alexis – FL just got back to us with the Corps' edits on the Corps/DEP MOA. The Corps had a few not particularly substantive edits, and one edit of interest to the ESA section, discussed below. When R4 sends to their management, I thought we should probably send to David. Does that sound OK?

Subject: Draft MOA between FDEP and COE edits

FDEP staff shared the Corps of Engineers' (COE) edits to the Draft MOA with Region 4 staff on March 14, 2019 (attached). The internal Florida 404 assumption team has reviewed those edits and summarizes edits of interest below. The team is happy to provide management with additional input and recommendations regarding the COE edits if requested. Please let us know how we can assist with next steps.
